At the conclusion of the conference the teachers unanimously adopted the following resolution:

Astoria, Or., April 27, 1906.

Whereas, since the last session of the Clatsop County Teachers' Institute, it has pleased the Great Father who graciously cares for all of his children to remove from our midst one in whom we, teachers of Clatsop County, placed our uttermost confidence and one whom we recognized as a true friend and cheerful adviser:

Therefore, be it resolved: by this annual assembly of the teachers of Clatsop county that, in the removal, by death, of our esteemed counselor and

helper, H. S. Lyman, the teachers and people, and the children of this county and those of the state of Oregon, have suffered the loss not only of a true and sympathetic friend but, of an efficient leader as well.

Whereas, the teachers of Clatsop county were very fittingly entertained at the home of Mrs. C. A. Gearhart on the evening of Wednesday, April 25th, 1906.

Therefore, be it resolved that the teachers of Clatsop county in Institute assembled, do offer a vote of thanks to Mrs. Gearhart for kindness placing the accommodations of her beautiful home at our service.

Be it resolved, that the Astoria teachers be tendered a vote of thanks for the enjoyable reception given to the Clatsop County Teachers on the evening of Wednesday, April 25, 1906.

Be it resolved that the Clatsop County teachers offer a vote of thanks to the Medical Association for their kind invitation to attend the lecture given on Thursday evening April 26.

And, be it further resolved, that the music committee and those assisting in the preparation of music, the children who entertained us by their songs, and the instructors who have labored so faithfully for our enlightenment each and every one be tendered a vote of thanks by this body of teachers, be it resolved that a copy of these resolutions be spread upon the records of this association and also sent to the papers of this city for publication. Respectfully submitted,

A. L. CLARK.

RAISE LARGE SUM.

CHICAGO, April 27.—Fifteen thousand five hundred dollars was raised for the relief of suffering California at the benefit performance held under the Bernhardt tent on the lake front from noon until evening. Twenty-five thousand would be a conservative estimate of the number of people who visited the scene of festivities in the name of charity. Among the performers were E. H. Sothern, Julia Marlowe, E. S. Willard, and their companies; Mrs. Leslie Carter, Richard Carl, Robert Loraine and company, the "Mexicana" company; the "Before and After" company and representatives of almost every other theatrical entertainment now playing in this city.

FOR NATIONAL BANK

Venezuelan Government Will Establish National Bank.

WILL USE PAPER CURRENCY

Castro Plans to Substitute Paper Money for General Circulation in Place of Gold, Which is too Bulky.

NEW YORK, April 27.—The Tribune today says:

The government of Venezuela is to establish a national bank and substitute a paper currency for the gold basis on which the country has been operating. It was learned yesterday that among the missions with which J. Torres Cardenas, secretary general of Venezuela and Manuel Curao, who arrived here from Caracas, Monday, are charged is the negotiation for the national bank contemplated by President Castro.

Heretofore the Banco de Venezuela in Caracas has been the national depository and fiscal agent for the government. The bank issued paper money for use only in the commercial centers—Caracas, La Guayra and Puerto Cabello—while the Banco de Maracaibo did the same for the convenience of the business people of the city. The issuance of bank notes was because of the little use made in Venezuela of check books and the difficulty of handling gold in large sums. But the plan of Castro is to establish a paper currency for general circulation.

Senor Corao will try to interest local bankers in the scheme for a national bank. Seven years ago President Andrade made a similar effort to establish a national bank, but the plan fell through.
